

Avin

AVIN is a Swiss Pop Duo. A man and a woman. A drummer and a singer-songwriter who make music with passion. In times where everything is in change, where insecurities are around and a new beginning is near, in these times the two musicians knew, what they had to do. Far away from urban areas, next to idyllic nature, they wrote song by song with catchy melodies and massive drumbeats. The music from Avin tells stories about a fading past, a mix of anxiety and hope for a future that is promised to no one. Maybe it gives an idea to the listener of how wonderful and unconcerned Avins world could be. A.V.I.N. A Verve Is Near..
